

My Health at Vanderbilt

A secure online tool that allows you to access your health information.

Sign up today

It's easier than ever to sign up for My Health at Vanderbilt

You can see your lab results, get your summary of care, request appointments and message your provider's office with My Health at Vanderbilt, our secure online health care tool. Here is how to do it for patients 18 and older*:

1. Check in at any Vanderbilt clinic and **provide your email address** when prompted.
2. My Health at Vanderbilt will send you an email invitation to open an account. **Visit the link in the invitation within 1 week** to activate your full-access account.
3. Ask a clinic staff member to give you full access.

NOTE: Any person who misrepresents or deliberately falsifies information will be permanently removed from using My Health at Vanderbilt.

* Registration differs for patients under 18.
