

More care. More convenience.

Vanderbilt Health Clinic at Walgreens

Offering your family immediate access to quality healthcare for minor health issues or injuries at 14 locations around Middle Tennessee.

Vanderbilt Health Clinic at Walgreens is operated by Vanderbilt University Medical Center or one of its affiliates.

The health care providers are not employees, associates and/or agents of, or supervised by, Walgreen Co. or any Walgreens subsidiary or affiliated company.

Vanderbilt Children's After-Hours Clinics

Walk-in care on evenings and weekends for illnesses or injuries in children of all ages. Our board-certified pediatricians send a report to your pediatrician about your visit.

Vanderbilt Health OnCall

Be seen by a Vanderbilt provider in your home, office or wherever you are within two hours of your request. Serving Davidson County and surrounding areas.

Vanderbilt Orthopaedics

Offers walk-in care for those experiencing a sprain, strain or fracture. No appointment needed.

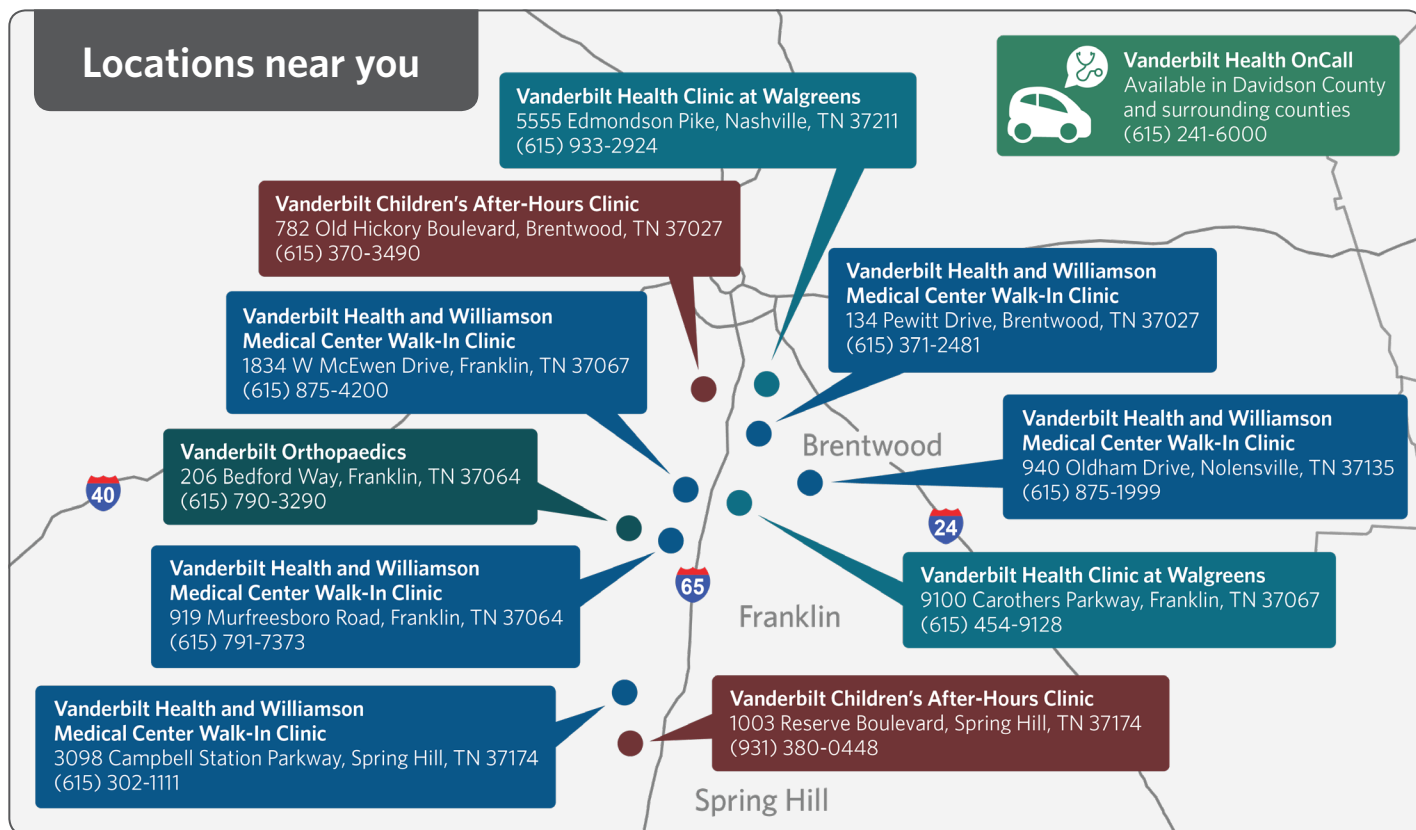

Vanderbilt Health Walk-In Clinics

Walk in to a clinic staffed by Vanderbilt physicians and nurse practitioners near you. We take care of everything from flu, colds and coughs to fevers, rashes and injuries. Some physicals and vaccinations are available, as well as EKG and X-ray.

The Vanderbilt Health Walk-In Clinics in Williamson County are a joint venture with Williamson Medical Center.

Visit MyHealthWalkIn.com to see all of our clinic locations.

If you are an existing Vanderbilt Health patient, be sure to activate your secure, online My Health at Vanderbilt account. Schedule appointments, message your doctor's office and request prescription refills. Another way we are making care more convenient for you. Visit MyHealthAtVanderbilt.com to activate your account today.
